PERSONAL FÜR DAS GESUNDHEITSWESEN

## **flexomed – the family-friendly employer in the health care sector**

We are a personnel service provider that specializes in the supply services of qualified health care personnel. Our health care staff supports the nursing and health care team in facilities for seniors, clinics, medical centers, hospitals, rehabilitation clinics, facilities for people with disabilities, and ambulatory services and they are permanently employed in our company.

We have been a reliable partner for our health care personnel for over 15 years now. We are a family business and dedicated to fulfilling the requests and wishes of our employees, in particular given the demanding working conditions in the health care sector.

It doesn't matter where you're from, how fluent you are in the German language, or whether you already have a qualification or not – we will help you to ensure that you are able to work in the health care sector. We will soon have 16 branch offices in North Rhine-Westphalia and we speak many different languages including yours – English.

You can send us your application via e-mail, or call one of our offices. You can also find more information on our website – [www.flexomed.de](http://www.flexomed.de).

What day is the best one for you to start your career in the health care sector with flexomed? We are excited for you to join our company.
